Supreme Court Clerk:

I write to voice my objection to the proposed amendment of Rules 7.204, 7.210, 7.211, 7.2112 and 7.216. When it takes nearly one and ½ years from filing an appeal to argument it seems a little absurd to shorten time periods for filing briefs. Appellant's duties regarding ordering the transcript re order on MSD makes sense. If you need further input from me please let me know. By the way, I have been practicing law for 23 years.
